

## Occupational Therapist Assistant and Physiotherapist Assistant Education Accreditation Program

### CANDIDACY STATUS

Application for Candidacy Status is a pre-requisite for occupational therapist assistant and physiotherapist assistant education programs to enter the accreditation process. While Candidacy Status denotes a formal affiliation of the education program with the Occupational Therapist & Physiotherapist Assistant Education Accreditation Program (OTA & PTA EAP), it does not assure future attainment of accreditation status.

#### Education Programs with Candidacy Status February 2013

Program Information	Contact information
