

JOB POSTING
Rehabilitation Assistant
(1 Year Term Position)

Highly motivated individual with excellent interpersonal skills and rehab experience required for this position in a community based, rehabilitation program for adults with moderate to severe acquired brain injury.

Responsibilities:

The Rehabilitation Assistant (RA) implements treatment plans with their clients as directed by ARBI's therapists. They are the primary contact for clients and their families and are the liaison between clients, families, therapists, volunteers, and management.

- Implementation of client programs (OT, PT, SLP, RT) as requested by therapists
- Provide training and ongoing support to volunteers and/or support workers
- Organize/coordinate caseload (client planning meetings, training, appointments, etc.)
- Ensure clients and volunteers are working in a safe, positive environment
- Help maintain, and organize rehab equipment and materials.

Qualifications:

- Rehabilitation related Diploma/Degree
 - Previous ARBI experience is an asset

Hours: 8:30 am - 4:30 pm, Monday-Friday (35 hours)
Full benefits package included.

Please submit curriculum vitae no later than Wednesday March 7, 2018 for position commencing Tuesday, April 3 (negotiable), 2018 for a 1 year term.
