For Certified Members Only

Belonging to a professional association that grants certification identifies you as a professional partner in Healthcare. The standards to earn and maintain your status as a Certified Member will demonstrate to your colleagues, employer and other rehab professionals that you have met strict requirements to gain certification and are dedicated to participating in professional development and actively collaborating with therapists for the optimal outcome of your clients. Please see our website for further information regarding certification (www.thaaa.ca).

Competency Policy - Annual Competency Requirements

Each Certified Member is expected to adhere to the following guidelines:

- A. A minimum of 10 hours of documented learning opportunities each year accumulated over 2 different education opportunities.
- B. Certified members are encouraged to set goals to develop areas of need and seek new learning opportunities each year.

Note: We will not accept mandatory job training such as CPR or WHMIS as valid education opportunities as these are requirements of your job and not additional educational opportunities required to maintain certification.
